Reading Borough Council

## Key Information about Reading and Phonics in St Anne's Catholic Primary School

All schools are now required to provide the information below on their website. Further information regarding our curriculum is available from the school.

### **Phonics Scheme:**

Our phonics curriculum is based on the Letters and Sounds guidance issued by the Department for Education. This ensures that we are covering all the sounds and blends in the correct logical and progressive order. Staff use resources from the following phonics scheme/support packages:

- Phonics bug club
- LPG

### **Reading Scheme:**

As with our phonics resources we do not use only one scheme, we use the best of many. We have books from the following schemes and hundreds of individual publications for children to read:

- Oxford Reading Tree
- Pearson Phonics Bug
- Pearson Bug Club
