Online Safety Workshop

On 14th March at 2:15, we have organised for the NSPCC to deliver an online safety workshop for parents/carers. This is a great opportunity to find out how to keep our children safe online and how to understand their online world. The workshop is aimed at parents/carers of children at all stages of primary education and will empower you to tackle the issues that all our children will face now and in the future. Attached is a letter about this.

Please try to make the time to come. To give us an idea of numbers, please drop an e-mail to **admin@st-annes.reading.sch.uk** to let us know that you will attend or let the school office know in person.
